**Big Brothers Big Sisters of Kennebec Valley Relies On Your Support!**

All of the funds raised locally stay with our agency to provide professional one-to-one match support to over 100 youth and more waiting. We offer a community-based and after school based one-to-one mentoring program in Kennebec and Somerset counties. Because we do not receive state or federal funding, we rely heavily on our fundraising events and donations to be financially successful. Your support helps us to continue to deliver our professional services at no charge to at risk children in need of a positive role model in your community. Together we can make a difference in the lives of kids in the Kennebec Valley.
