**Big Brothers Big Sisters Relies On Your Support!**

All of the funds raised locally stay with our agency to provide professional match support to over 50 youth in Kennebec & Somerset Counties and more waiting. Because we do not receive state or federal funding, we rely heavily on our fundraising events and donations to be financially successful. Your support helps us to continue to deliver our professional services at no charge to the children in need of a positive role model in your community. Together we can make a difference in the lives of kids in the Kennebec Valley.
